
EQN*2200 - Equine Industry Trends and Issues I

Fall 2023 Course Outline

Section: 01

Credits: 0.50

Land Acknowledgement: Guelph

The University of Guelph resides on the ancestral lands of the Attawandaron people and the treaty lands and territory of the Mississaugas of the Credit. We recognize the significance of the Dish with One Spoon Covenant to this land and offer respect to our Anishinaabe, Haudenosaunee and Métis neighbours. Today, this gathering place is home to many First Nations, Inuit, and Métis peoples and acknowledging them reminds us of our important connection to this land where we work and learn.

Calendar Description

This course discusses selected current global, national and regional issues in the horse industry. Analysis of strengths, weaknesses, opportunities and threats are applied to controversial issues in classroom discussions and reflective critical thinking. A large portion of this course will be dedicated to the discipline of Equitation Science, which plays a key role in addressing many issues that occur in our relations with horses.

Prerequisite(s): EQN*1010

Restriction(s): Registration in BBRM.EQM.

Department(s): Department of Animal Biosciences

Lecture Schedule

TuTh 1pm-2:20pm in ROZH*107 (9/7 to 12/15)

Instructor Information

Renee Bergeron, Ph.D.

Instructor

Anna Schwanke

Graduate Teaching Assistant

Required Resources

System and Software Requirements (Software)

<https://opened.uoguelph.ca/student-resources/system-and-software-requirements> (<https://opened.uoguelph.ca/student-resources/system-and-software-requirements/>)

This course will use a variety of technologies including CourseLink (main classroom) and Zoom. To help ensure you have the best learning experience possible, please review the list of system and software requirements.

CourseLink System Requirements (Software)

<http://spaces.uoguelph.ca/ed/system-requirements/>

You are responsible for ensuring that your computer system meets the necessary system requirements.

Visit the above website and use the "System Check Tool" to ensure your browser settings are compatible and up to date. (Results will be displayed in a new browser window).

Course Resources

ISES Conference Proceedings

<https://www.equitationsscience.com/conferences> (<https://www.equitationsscience.com/conferences/>)

National Farm Animal Care Council

<https://www.nfacc.ca/codes-of-practice/equine> (<https://www.nfacc.ca/codes-of-practice/equine/>)

Code of Practice for the Care and Handling of Equines

Campus Resources

If you are concerned about any aspect of your academic program: Make an appointment with a Program Counsellor (<https://www.uoguelph.ca/uaic/programcounsellors/>) in your degree program. If you are struggling to succeed academically: There are numerous academic resources offered by the Learning Commons (<https://www.lib.uoguelph.ca/using-library/spaces/learning-commons/>) including, Supported Learning Groups for a variety of courses, workshops related to time management, taking multiple choice exams, and general study skills.

Course Learning Outcomes

1. Identify current trends and issues in the equine industry
2. Explain horse perception and cognitive abilities
3. Understand learning theory principles and their importance for horse welfare
4. Form effective critical arguments to logically and rationally be able to defend an issue
5. Relate equine issues in Canada to trends in other countries
6. Know the extent of standards and legislation in certain segments of the horse industry

Schedule of Topics and Assignments

Week of	Topic	Activities	Due:
9/7	Introduction	Presentation of syllabus Lecture on equitation science Required reading: Chapter 1	
9/12	Scientific method	Lecture and explanation of research assignment Required reading: Chapter 15	
9/19	Cognitive ethology Anthropomorphism	Lectures Required reading: Chapters 2, 3	Assignment 1 (scientific paper) due on Dropbox Thursday September 21st at 23:59
9/26	Non-associative learning Associative learning: attractive stimuli Associative learning: aversive stimuli	Lectures Open Book Quiz 1 (Chapters 1, 2, 3) during class on Thursday Required reading: Chapter 4, 5, 6	Quiz 1 in class on Thursday September 28th at 13:00
10/3	Applying learning theory	Lecture Training demonstrations	Research project idea due on Dropbox Thursday October 5th at 23:59
10/10	Fall Study Break (No class)		
10/12	Group work on research project	No class on Tuesday In class group work on research project on Thursday Open Book Quiz 2 (Chapters 4, 5, 6) during class on Thursday	Quiz 2 in class on Thursday October 12th at 13:00
10/17	Stress, fear response and stereotypies	Lectures Required reading: Chapters 12, 13, 14 Pilot with school horses (outside of class hours)	Research project draft due on Dropbox Tuesday October 17th at 23:59 Assignment 2 (critical reflection) due on Dropbox Thursday October 19th at 23:59

10/24	Use of various apparati in riding and training	Student presentations during class Peer evaluation of student presentations Pilot with school horses (outside of class hours)	Assignment 3 (student presentations) on Tuesday October 24th or Thursday October 26th
10/31	Cost benefit analysis Attachment theory	Lectures Open Book Quiz 3 (Chapters 7, 12, 13, 14) during class on Thursday	Quiz 3 in class on Thursday November 2nd at 13:00
11/7	Trends and issues	Student presentations on trends and issues during class on Tuesday and Thursday (order of presentations randomly determined) Peer evaluation of student presentations	Assignment 4 (Power Point presentations) due on Dropbox Monday November 6th at 23:59
11/14	Trends and issues	Student presentations on trends and issues during class on Tuesday and Thursday (order of presentations randomly determined) Peer evaluation of student presentations	
11/21	Trends and issues	Student presentations on trends and issues during class on Tuesday (if needed) Peer evaluation of student presentations Lecture	
11/28	Research projects	Student presentations - research projects during class on Tuesday and Thursday (order of presentations randomly determined) Peer evaluation of student presentations Peer assessment of groupmates	Research project (Power Point presentations) due on Dropbox Monday November 27th at 23:59 Final research project (written) due on Dropbox Friday December 1st at 23:59 Peer assessment of groupmates due on Courselink (Pear) Friday December 1st at 23:59

Assessment Breakdown

Description	Weighting (%)	Due Date
Research project idea	1%	October 5th
Research project (draft version)	4%	October 17th
Research project (presentation)	10%	November 27th
Research project (final version)	10%	December 1st
Peer assessment of groupmates	5%	December 1st
Assignment 1	5%	September 21st
Assignment 2	5%	October 19th
Assignment 3	5%	October 24th or 26th
Assignment 4	10%	November 6th
Open book quiz 1	5%	September 28th
Open book quiz 2	5%	October 12th
Open book quiz 3	5%	November 2nd
Participation during presentations	10%	
Final exam	20%	Exam week

Final Exam

Date: Dec 5

Time: Tu 2:30pm-4:30pm

Location: TBA *Please see Web Advisor closer to the date of scheduled final for location.*

To understand rules and regulations regarding Examinations students are encouraged to read Student's Responsibilities (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/examinations/>)

If the student is unable to meet the final exam requirements due to medical, psychological or compassionate circumstances they are encouraged to review Student's Responsibilities in the Academic Consideration, Appeals and Petitions (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/academic-consideration-appeals-petitions/>) section of the Academic Calendar.

Last Day to Drop Course

The deadline to drop Fall 2023 courses without academic penalty is the last day of classes: December 01

After this deadline, a mark will be recorded, whether course work is completed or not (a zero is assigned for missed tests/assignments). This mark will show on the student's transcript and will be calculated into their average.

Course Grading Policies

Late Assignment

If you choose to submit assignments to the Dropbox tool late, the full allocated mark will be reduced by 5% per day after the deadline for the submission of the assignment to a limit of six days at which time access to the Dropbox folder will be closed. Extensions will be considered for medical reasons or other extenuating circumstances. If you require an extension, discuss this with the instructor as soon as possible and well before the due date. Barring exceptional circumstances, extensions will not be granted once the due date has passed. These rules are not designed to be arbitrary, nor are they inflexible. They are designed to keep you organized, to ensure that all students have the same amount of time to work on assignments, and to help to return marked materials to you in the shortest possible time.

Missed Assignment

Alternate assessments or alternative presentation dates will be offered only to students with medical, psychological, or compassionate reasons for missing a scheduled assessment [see Academic Consideration]. It is the student's responsibility to obtain notes/learning materials from a missed class.

Course Standard Statements

Course Policies

Grades and Feedback

Unofficial assessment marks will be available in the Grades tool of the course website. Your instructor will attempt to have grades posted online without undue delay and in any case before the last day of the examination period. Once your assignments are marked you can view your grades on the course website by selecting Grades from the Tools dropdown menu on the navbar. Your course will remain open to you for seven days following the last day of the final exam period. University of Guelph students can access their final grade by logging into WebAdvisor (using your U of G central ID).

<https://webadvisor.uoguelph.ca>

Groupwork Policy

Assignments are expected to be individual work unless otherwise noted, and are graded as such. However, this course contains a large proportion of group work. All group members will receive the same grade for group work assignments unless otherwise approved by the Instructor. Any problems associated with group work should be brought to the attention of the instructor as soon as possible.

Standard Statements for Undergraduate Courses

Academic Integrity

The University of Guelph is committed to upholding the highest standards of academic integrity and it is the responsibility of all members of the University community – faculty, staff, and students – to be aware of what constitutes academic misconduct and to do as much as possible to prevent academic offences from occurring. University of Guelph students have the responsibility of abiding by the University's policy on academic misconduct

regardless of their location of study; faculty, staff and students have the responsibility of supporting an environment that discourages misconduct. Students need to remain aware that instructors have access to and the right to use electronic and other means of detection.

Please note: Whether or not a student intended to commit academic misconduct is not relevant for a finding of guilt. Hurried or careless submission of assignments does not excuse students from responsibility for verifying the academic integrity of their work before submitting it. Students who are in any doubt as to whether an action on their part could be construed as an academic offence should consult with a faculty member or faculty advisor.

The Academic Misconduct Policy (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/academic-misconduct/>) is outlined in the Undergraduate Calendar.

Accessibility

The University promotes the full participation of students who experience disabilities in their academic programs. To that end, the provision of academic accommodation is a shared responsibility between the University and the student.

When accommodations are needed, the student is required to first register with Student Accessibility Services (SAS). Documentation to substantiate the existence of a disability is required; however, interim accommodations may be possible while that process is underway.

Accommodations are available for both permanent and temporary disabilities. It should be noted that common illnesses such as a cold or the flu do not constitute a disability. Use of the SAS Exam Centre requires students to make a booking at least 10 days in advance, and no later than the first business day in November, March or July as appropriate for the semester. Similarly, new or changed accommodations for online quizzes, tests and exams must be approved at least a week ahead of time. For students at the Guelph campus, information can be found on the SAS website. (<https://www.uoguelph.ca/sas/>)

Accommodation of Religious Obligations

If you are unable to meet an in-course requirement due to religious obligations, please email the course instructor within two weeks of the start of the semester to make alternate arrangements.

See the Academic calendar for information on regulations and procedures for Academic Accommodations of Religious Obligations (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/academic-accommodation-religious-obligations/>).

Copies of Out-of-class Assignments

Keep paper and/or other reliable back-up copies of all out-of-class assignments: you may be asked to resubmit work at any time.

Drop Date

Students will have until the last day of classes to drop courses without academic penalty. The deadline to drop two-semester courses will be the last day of classes in the second semester. This applies to all undergraduate students except for Doctor of Veterinary Medicine and Associate Diploma in Veterinary Technology (conventional and alternative delivery) students. The regulations and procedures for course registration are available in the Undergraduate Calendar - Dropping Courses (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/dropping-courses/>).

Email Communication

As per university regulations, all students are required to check their <uoguelph.ca> e-mail account regularly: e-mail is the official route of communication between the University and its students.

Health and Wellbeing

The University of Guelph provides a wide range of health and wellbeing services at the Vaccarino Centre for Student Wellness (<https://wellness.uoguelph.ca/>). If you are concerned about your mental health and not sure where to start, connect with a Student Wellness Navigator (<https://wellness.uoguelph.ca/navigators/>) who can help develop a plan to manage and support your mental health or check out our mental wellbeing resources (<https://wellness.uoguelph.ca/shine-this-year/>). The Student Wellness team are here to help and welcome the opportunity to connect with you.

Illness

Medical notes will not normally be required for singular instances of academic consideration, although students may be required to provide supporting documentation for multiple missed assessments or when involving a large part of a course (e.g., final exam or major assignment).

Recording of Materials

Presentations that are made in relation to course work—including lectures—cannot be recorded or copied without the permission of the presenter, whether the instructor, a student, or guest lecturer. Material recorded with permission is restricted to use for that course unless further permission is granted.

Resources

The Academic Calendars (<http://www.uoguelph.ca/registrar/calendars/?index>) are the source of information about the University of Guelph's procedures, policies and regulations which apply to undergraduate, graduate and diploma programs.

When You Cannot Meet a Course Requirement

When you find yourself unable to meet an in-course requirement because of illness or compassionate reasons please advise the course instructor (or designated person, such as a teaching assistant) in writing, with your name, id#, and e-mail contact. See the Undergraduate Calendar for information on regulations and procedures for Academic Consideration. (<https://calendar.uoguelph.ca/undergraduate-calendar/undergraduate-degree-regulations-procedures/academic-consideration-appeals-petitions/>)
